

1629. 91

you'll find pleasure in  
it, I'm sure - & especially  
so since you and Elsie  
are working together -

Dr. Foster was over to  
see Mother - not on her  
birthday as he had hoped -  
but two days later - as he  
had forgotten the exact date -

Dr. Lee called to see us.  
He preached last Sunday  
morning.

Seavey said that Dr. Foster  
had a wonderful sermon  
this morning.

It's time to eat - so bye-bye -  
My love to you & a share  
for Elsie.

Yours —  
Aunt Alice
